

## FACULDADE DE MEDICINA DE RIBEIRÃO PRETO-USP

Av. Bandeirantes, 3900 - Ribeirão Preto - SP - CEP 14049- 900

The Rehabilitation and Functional Performance Graduate Program of the Ribeirão Preto Medical School of the University of São Paulo (FMRP-USP) makes public, by this notice, the opening of the registration process and selection of a (a) (1) Postdoctoral fellow, by scholarship granted by FAPESP in the process 2017/17596-4.

The **scholarship will last for 12 months**, extendable for up to 24 months, depending on the performance of the scholarship holder, which will be evaluated annually, according to FAPESP standards.

The selected candidate will receive a Postdoctoral Fellowship in the amount determined according to the FAPESP table (<https://fapesp.br/valores/bolsasnopais>).

The scholarship is linked to a thematic project (process 2017/17596-4) entitled “**Aerobic capacity, strength and muscular power of children and adolescents with chronic diseases - characterization and treatment**”, and the scholarship holder will be inserted (a) in the subproject “**Effort Perception (OMNI) for children and adolescents with chronic neurological diseases - validation of adapted version for wheelchair users**”, whose aims is to develop the adaptation of the illustration of the original OMNI for wheelchair users (OMNI adapted). A second objective involves evaluating the reliability and reproducibility of the adapted OMNI version. One of the requirements for granting that scholarship is that the applicant has completed his Doctorate less than seven (7) years ago. Other candidate requirements may be consulted in [www.fapesp.br/pd](http://www.fapesp.br/pd).

### APPLICANT'S OBLIGATIONS:

- a) Dedicate exclusively to the research project (except with authorization from FAPESP, under the conditions provided for in Ordinance PR No. 05/2012).
- b) Do not receive a scholarship from another entity, salary or remuneration arising from the exercise of activities of any kind (except with authorization from FAPESP, under the conditions provided for in Ordinance PR No. 05/2012).
- c) Submit scientific reports and reports of application of technical reserve resources within the deadlines provided for in the Grant Term (TO), accompanied by the requested documentation. **IMPORTANT:** Failure to comply with these standards and other obligations described in [www.fapesp.br/pd](http://www.fapesp.br/pd) implies the cancellation of the exchange and refund of payments already made by FAPESP, in updated amounts.

REGISTRATIONS: The candidate must send the following documents (PDF format): a) Curriculum Lattes updated for Brazilian candidates or Curriculum Vitae for foreign candidates b) a letter expressing the reasons of interest in the scholarship and citing 2 names to be consulted for recommendation.

The registration in the selection process implies the knowledge and acceptance of the conditions established by FAPESP, available in [www.fapesp.br/pd](http://www.fapesp.br/pd), and in this notice, the candidate cannot claim his/her ignorance.

Deadline for registration: **November 10 to December 10, 2021**. The documentation should be forwarded in PDF format to: Profa. Dr. Ana Claudia Mattiello-Sverzut, Rehabilitation and Functional Performance Graduate Program, Faculty of Medicine of Ribeirão Preto-USP e-mail: [acms@fmrp.usp.br](mailto:acms@fmrp.usp.br) Phone: 55 16 3315-4413

SELECTION PROCESS: The selection process will be carried out by an examining board consisting of 3 (three) PhD professors of the Thematic Project. The evaluation of the candidates will include the curricular analysis.

DISCLOSURE OF THE RESULT: The results of this process will be disclosed by **December 15, 2021**.
