ELSEVIER, S.L.U., in accordance to that set out in Article 32.1, second paragraph of the current "Reformulated Text of the Intellectual Property Law" TRLPI, expressly prohibits the use or partial use of the pages of SCIENCE AND TECHNOLOGY OF MATERIALS with the aim of preparing printed abstracts for commercial purposes. Any form of reproduction, distribution, public presentation or transformation of this journal can only be done with the approval of its owners, unless there is an exception envisaged in the law.

No responsibility is assumed by the Publisher or the SOCIEDADE PORTUGUESA DE MATERIAIS (SPM) for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein.

Although all advertising material is expected to conform to ethical standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.
