ELSEVIER ESPAÑA, S.L.U. in accordance to that set out in Article 32.1, second paragraph of the current "Reformulated Text of the Intellectual Property Law" TRLPI, expressly prohibits the use or partial use of the pages of CLINICA E INVESTIGACION EN ARTERIOSCLEROSIS with the aim of preparing printed abstracts for commercial purposes. Any form of reproduction, distribution, public presentation or transformation of this

journal can only be done with the approval of its owners, unless there is an exception envisaged in the law. Single photocopies of single articles may be made for personal use as allowed by national copyright laws. Permission of the publisher and payment of a fee is required for all other photocopying (in this case you should contact with CEDRO [www.cedro.org]).

Notice

No responsibility is assumed by the publisher or by SEA for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made.

Although all advertising material is expected to conform to ethical (medical) standards, inclusion in this publication does not constitute a guarantee or endorsement of the quality or value of such product or of the claims made of it by its manufacturer.
